UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON

DAVID LEWIS OLIVER and)
BARBARA ELLEN OLIVER,)
Plaintiffs,) Case No.: 3:12-cv-05374-BHS
v.) MOTION FOR EXTENSION OF TIME
OCWEN LOAN SERVICING, LLC,) TO FILE AMENDED COMPLAINT
Defendant.) NOTING DATE February 15, 2013

Plaintiffs move the Court for a 30 day extension to file their amended complaint based upon the following:

The parties have discussed settlement of this case since it was filed. During prior settlement discussions, the defendant offered a loan modification to the plaintiffs. The parties have recently reached tentative terms on a settlement agreement that would require the defendant to enter into a loan modification that it had previously offered to the plaintiffs. Defendant is currently analyzing the ability to enter into the modification agreement that was previously offered. All other terms to the settlement agreement have been agreed upon.

1 Based upon the settlement negotiations the parties have agreed to postpone any further
2 pleadings, discovery responses, or hearings until after a final determination can be made by
3 defendant.

4 Wherefore, Plaintiffs request that the Court grant an additional 30 days to the plaintiffs
5 to file their amended complaint.
